

YMCA of Greater Moncton Heritage Club New: Winter 2021 Edition

It's hard to believe nearly a year ago our world changed and we are all in a very different place – as individuals, as a community and as a YMCA. The pandemic has challenged the way in which we, at the YMCA, work to build a healthy, strong and connected community where everyone belongs.

As a friend to the YMCA, we thank you for your steadfast support over the years. We believe that every single act of giving matters and we are deeply grateful for you - it would be impossible to achieve our mission without the help of our donors, sponsors and community partners.

Today, we wish to share that plans are underway to host our YMCA Heritage Club Founding Members' event (originally scheduled May 2020) on September 30, 2021 - mark your calendar!

YMCA Heritage Club members are a special group of supporters who believe in the mission and values of the YMCA and want to support YMCA programs and services.

"I was very fortunate to experience many wonderful Y programs like swim team, leader corps, Hi-Y and director of camping. All of them contributed to the development of my leadership skills and the formation of my goals in my professional life. I now feel privileged to be able to 'pay it forward' through my contributions to the YMCA Heritage Club. It is my sincere hope that future generations have similar life changing opportunities at the YMCA". - Trudy Brydges

We look forward to recognizing and celebration those who have included the YMCA in their will, estate plan or financial plan. If you have included the YMCA of Greater Moncton in your will, estate plan or financial plan, we invite you to join us at a YMCA Heritage Club Members' event September 2020.
